

Sandy King has been an entrepreneur in the **GeoThermal** industry since 1984. She is currently Owner and President of **Symbiont Service Corp.** which received the **Inc. Magazine 2011 Top 50 Winning Workplaces Award, the Inc. 5000 Fastest Growing Private Companies in 2012** and listed in the top 50 women-led businesses in Florida with **The Commonwealth Institute South Florida 2015.**

Sandy has been providing “**Green**” products and services since before it was fashionable throughout the state of Florida. With over 1,000 GeoThermal Pool Heating installations completed some of her clients include YMCA’s, City Pools, High Schools, hundreds of Condominiums, State Parks & Recreation Pools, Churches and many residential customers.

Sandy graduated from Florida Institute of Technology with a Bachelor of Science Degree in Oceanographic Technologies in 1984. She received her **Florida State Contractors License** for Heating, Ventilating and Air Conditioning in 1985.

Sandy understands and appreciates the benefits of continuous education. She completed multiple Dale Carnegie Courses, a three year E-Myth Mastery Program, and actively participates in **Ownership Thinking** practices and principles for the ongoing management and profit sharing for her company. She promotes and encourages this training for all of her employees.

Sandy is an active member of her church serving on multiple committees for Englewood United Methodist Church, a member of the Englewood YMCA Advisory Board, and continuously supports various local charities.

While constantly seeking knowledge, she maintains self-discipline and balance; striving to be an effective leader. Sandy can be reached at [sandy@symbiontservice.com](mailto:sandy@symbiontservice.com) .
